

About Make-A-Wish® San Diego

Since 1983, Make-A-Wish® San Diego has been working hard to make wishes come true for kids in San Diego. To date, over 2,700 wishes have been granted! This can be made possible when you donate a car using the [Wheels For Wishes](#) Car Donation program, benefiting [Make-A-Wish® San Diego](#).

About Wheels For Wishes Car Donation

Wheels For Wishes offers an easy way to recycle or donate unwanted cars, trucks, motorcycles, SUVs, RVs, or even boats. With your car donation, Make-A-Wish® is able to grant the wishes of children with life-threatening medical conditions and bring hope, strength, and joy back into the life of a child. Plus, you receive the maximum possible charitable tax deduction for your vehicle donation.

Wheels For Wishes will pick up or tow away old, broken down vehicles, running or not, and either recycle or auction them. 100% of net proceeds from the vehicle benefit Make-A-Wish® San Diego and help kids in your own community.

How You Can Help

Donating a car is easy, and all we ask is that you give us a call at **1-855-661-9474 (WISH)** or fill out our easy online form at <http://sandiego.wheelsforwishes.org/>. Either way, it only takes a minute and your donation will help Make-A-Wish® grant the wish of a child right here in San Diego!
